

Step 2: Sizzling Starts Action Activity

Action Activity

5 Minute Photo Fast Starts

Just like the '5 Minute Fast Starts' Action Activity, give students 1 minute to write a Sizzling Start. This time however, use photos as topic prompts. As soon as the minute is up, show them the next image and start the next minute.

After 5 minutes, each student should have 5 different Sizzling Starts.

Get them to share their favourite in groups of 3-5. This will help them generate more ideas, develop concepts and learn from each others' styles.
