Snake trip

One day, I went to school and
we were going on a school camp
for 3 days. I went on the bus
the bus driver^r said I hope
you do not die! I mean I
hope you have a great time. I
was scared of what he said.
When I arrived it looked really
dark and scary. It was time
for bed and I slept with
Mr. Hamle and my friends. I
suddenly + woke up and...
the car was on auto Pilot!
I did not know I had woken
every one up. Every one screamed
but I did not now I had

checked something you would
not like to see A ~~blood~~

~~sn~~ snake noise every one
gasps to land and attacked a

blood snake! We all raced
to the cabin it could not
fit every one in. Jerry climbed
to the top of the cabin.

The cabin door opened and ...
a snake swarm came!

We all jumped through

the glass like bunnies

and we tried to fight

of the blood snakes

~~B~~ but it was too hard.

but suddenly ~~be~~ behind the

backs the ~~cabin~~ cabin exploded!
far in the distance and
scared all of the snakes. We
followed the smoke and
next to it there was a
better cabin and safely drove
back to my school the end.
