Travel through time to Harry Potter's fantastic world. In Harry's third year at Hogwarts School Of Witchcraft And Wizardry, it will be far from ordinary. With Sirius Black, mass-murderer on the run after Harry Potter, he will need a whole lot of help from his best friends Ron and Hermione. In Harry's first ever divination class Professor Trelawney sees an omen of death in Harry's tea leaves, - Harry is going to have an interesting year!

Leave the muggle world (muggles are non-magic people) and discover magic with Harry Potter! People say the only problem with the book is you can't put it down. This is my favourite book and I highly recommend it because, I had so much enjoyment reading the book I didn't want to put it down. This book was in my opinion, the **BEST BOOK EVER!**

Go deep into the magnificent wizarding world and find awesome spells. Newspapers say a chapter can quiet even the most rowdy of classes! When I go to school I see many of my classmates reading the
