MILA! Uh oh! you know it's because she has seen the mud on your school uniform and she is going to wash it!

have Spare Outfits and Wouldn't need to wash.

What's also great about picking my own outfit is that I can show that I am unique. I love lots of colours so I would pick lots of colourful clothes.

Dont you want us to show who we are? Picking our own clothes would help us do that.

You know what else would make my mum happy? Not having to spend silly amounts of money on uniforms every time I grow out of them and every time I lose a jumper or hat. I would leave more money to spend on clothes that I like to wear and show who I am.
