

## Tie a Fact to a Technique

Select a fascinating fact and a Sizzling Starts technique (e.g. Start with action), then team them up to create an engaging introduction to an informative text.

| Fact | Technique | Sizzling Start |
|------|-----------|----------------|
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
|      |           |                |
